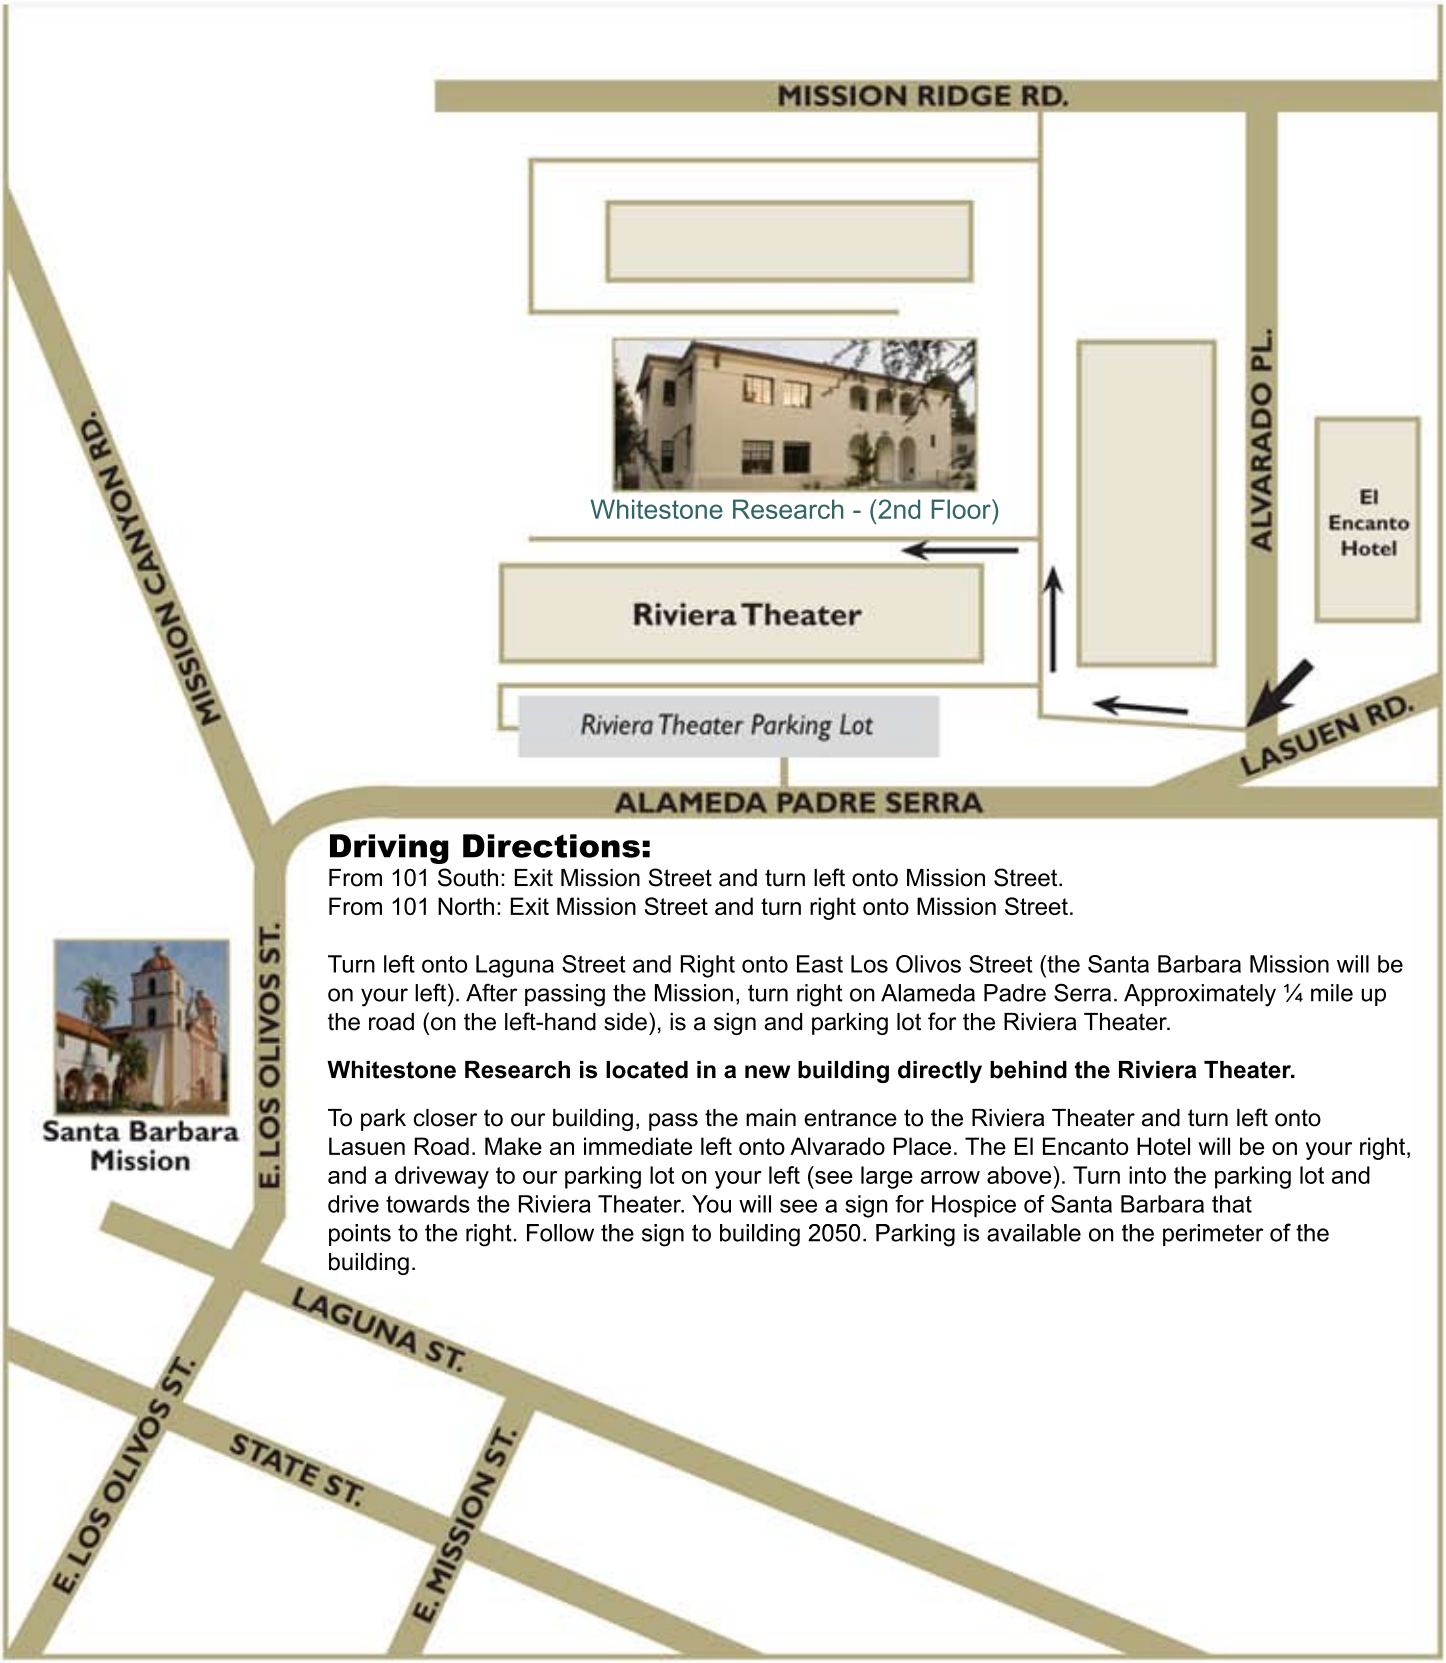
WHITESTONE
RESEARCH



Driving Directions:

From 101 South: Exit Mission Street and turn left onto Mission Street.
From 101 North: Exit Mission Street and turn right onto Mission Street.

Turn left onto Laguna Street and Right onto East Los Olivos Street (the Santa Barbara Mission will be on your left). After passing the Mission, turn right on Alameda Padre Serra. Approximately ¼ mile up the road (on the left-hand side), is a sign and parking lot for the Riviera Theater.

Whitestone Research is located in a new building directly behind the Riviera Theater.

To park closer to our building, pass the main entrance to the Riviera Theater and turn left onto Lasuen Road. Make an immediate left onto Alvarado Place. The El Encanto Hotel will be on your right, and a driveway to our parking lot on your left (see large arrow above). Turn into the parking lot and drive towards the Riviera Theater. You will see a sign for Hospice of Santa Barbara that points to the right. Follow the sign to building 2050. Parking is available on the perimeter of the building.
